COUNTY COUNSEL'S IMPARTIAL ANALYSIS OF MEASURE W

ANALYSIS BY THE COUNTY COUNSEL FOR THE COUNTY OF ALAMEDA OF THE COUNTY OF ALAMEDA SALES AND USE TAX MEASURE

Measure W ("Measure") would impose a transactions and use tax ("tax") at the rate of one-half of one percent on the sale and use of tangible personal property within the County of Alameda ("County"), including the incorporated and unincorporated areas. The tax would remain in effect until March 31, 2031.

The County has the authority to levy this tax under Part 1.6 (commencing with Section 7251) of Division 2 and Section 7285 of the California Revenue and Taxation Code upon approval by a majority of the electors voting on the measure. Per the Measure's ordinance, if approved, the tax will be used for purposes consistent with general fund expenditures of the County and the tax is enacted solely for general governmental purposes. The proceeds from the tax shall be placed in the County's general fund.

The County's Board of Supervisors ("Board") shall establish and appoint a citizen oversight committee to review and report on the tax's expenditures annually. The citizen oversight committee shall publicly disclose the tax's expenditures and report to the Board.

If a majority of the electors voting on the Measure vote to approve, the County shall be authorized to impose the tax at the rate and duration noted above. If the majority of electors do not vote for approval, the Measure will fail, and the tax will not be levied within the County.

This Measure is placed on the ballot by the County's Board.

ARGUMENT IN FAVOR OF MEASURE W

Your YES vote on Measure W will help address Alameda County's homeless crisis, protecting our most vulnerable neighbors: seniors, veterans, families and people who can't keep up with skyrocketing housing costs and are homeless or at risk of losing their homes.

Specifically, Measure W provides urgently needed funding that Alameda County can use to:

- Provide housing assistance, mental health resources, and substance abuse treatment for our most vulnerable residents.
- Help people who are at risk of homelessness stay in their homes.
- Increase hygiene and sanitation services
- Support homeless veterans, seniors and families with services.
- Increase employment opportunities through job training.
- Shelter people experiencing homelessness to reduce COVID-19 impacts.

Very low-income individuals and families already at risk of becoming homeless are most vulnerable during the COVID-19 pandemic. This measure will help keep people who are at risk of homelessness in their homes and shelter people who are experiencing homelessness.

Housing prices are out of control. Seniors, veterans, people with disabilities and others living on a fixed income can't afford rents.

82% of those who are currently experiencing homelessness in Alameda County lived here before losing their home. This measure will help prevent local residents from becoming homeless in the first place.

Policy experts, service providers and community members have worked carefully over the past year to build a comprehensive plan to address homelessness in our county. Called the Home Together Plan, it is available for review at www.hometogether2020.org.

Join housing and homeless service providers, regional homeless organizations and advocates, elected officials and community leaders across Alameda County. Together we can make a difference by investing in desperately needed homeless services across Alameda County. **Vote YES on Measure W!**

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE W

It will cost the average household \$262 per year. With Alameda County's unemployment rate above 13% and COVID-19 inflating prices of life's necessities, our neighbors **can't afford** this tax hike.

It's a \$1.5 Billion "Blank Check." Alameda County Supervisors can spend *all* \$1,500,000,000.00 *any way they* want. We decoded the legalese: Measure W "is enacted solely for general governmental purposes and not for specific purposes. *All* of the proceeds from the tax ... shall be placed in the County's general fund." (Section 2.08.401) Translation: Supervisors "can" decide to spend **nothing** (\$0.00, *zilch*, nada) **for helping the homeless.**

It will be diverted to Administrators' pay. Supervisors give Administrator Susan Muranishi annual pay and benefits totaling \$787,431.72. (TransparentCalifornia.com) That's 18 times the county's per capita income! The County paid 1,466 bureaucrats more than \$200,000 last year. *Measure W would pick your pocket to fill theirs!*

It will be shunted to Bureaucrats' "Cadillac" pensions. The average County full career pension is \$101,057 annually for life. (TransparentCalifornia.com) *Measure W would "bail out" their unsustainable scheme.*

It's unnecessary. Proposition 15 could generate an annual \$185,000,000 windfall for Alameda County's General Fund. Voters recently approved Alameda County affordable/homeless housing bonds costing \$953,194,950 (Measure A1). *Enough!*

It's deceptive. Supervisor Chan's top County aide is managing the "yes" campaign from his Walnut Creek mansion with fat corporate contributions. **"Help the Homeless" is just their campaign slogan designed to fool you.** Shame on them for exploiting society's most vulnerable to enrich themselves. *Don't take their bait.*

ARGUMENT AGAINST MEASURE W

Vote NO on DECEPTIVE Tax Increases like Measure W. It would push the sales tax rate above 10.0% in much of our County. *That's too much!*

The County falsely pledges to use this **\$150 million per year tax hike** for a 'homeless & social safety net.' Actually this sales tax will be put into the General Fund to be spent on ANYTHING.

This sales tax is a REGRESSIVE TAX. It will mostly hurt the less fortunate citizens that it promises to help. The County MIGHT spend some of this sales tax on disadvantaged people for a year or two, then the Board of Supervisors will change its mind and spend the funds on something else.

Every household in Alameda County has a debt of \$14,269 for County Administration PENSIONS, a Stanford University study determined. But the County has *no plan* for greatly reducing pension costs. The true reason for this tax increase is for the Administration to pay off a little of the pension debt (a 'bailout'), so that the County can keep floating its *unsustainable* pension scheme.

The promised 'annual audits and oversight committee' are pure BALONEY, because the County Board of Supervisors has the complete authority to spend General Fund taxes *any* way they want and there's NOTHING the *toothless* 'oversight committee' could do.

The County already has a Measure BB sales tax with a guarantee to voters that 'all these taxes will be spent in Alameda County,' dedicated for the BART to Livermore extension. Instead of keeping this longstanding BART promise, the Alameda County Leadership, led by the Supervisors, is diverting \$400 million to another Agency to aid a project *outside our County*.

Don't write another "blank check" for County politicians to waste!

Vote NO on this '*bait & switch*' Sales Tax Increase.

REBUTTAL TO ARGUMENT AGAINST MEASURE W

The homelessness crisis in Alameda County has only gotten worse during the COVID pandemic. We have to take **bold** action now. Measure W is that bold step.

Don't be misled by the deceptive opposition argument from a group with a political agenda. Here's the truth:

Measure W provides urgently needed funding that policy experts absolutely **can** use to fund critical homeless services.

Measure W funds are **100% eligible** to fund the "Home Together" plan – a plan that is the result of a year-long policy making process with experts, community members and homeless services providers. This carefully crafted plan contains a comprehensive strategy to end homelessness in Alameda County and provide **community oversight** for all investments.

Read the plan at www.hometogether2020.org.

There is no time for political fights. 82% of those who are currently experiencing homelessness in Alameda County lived here before losing their home. We must move swiftly and courageously to help our neighbors and prevent homelessness.

The Home Together plan will also:

- Provide housing assistance, mental health resources, and substance abuse treatment for our most vulnerable residents.
- Help people who are at risk of homelessness stay in their homes.
- Increase hygiene and sanitation services
- Support homeless veterans, seniors and families with services.
- Increase employment opportunities through job training.
- Shelter people experiencing homelessness to reduce COVID-19 impacts.

Join the East Bay Housing Organizations, The United Seniors of Alameda County and community groups across our County. Take a decisive stand against homelessness, vote YES on W.

The retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle or aircraft at an address in Alameda County.

D. Any person subject to use tax under this article may credit the amount of such tax against any transactions tax paid to a county or district imposing or a retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the California Revenue and Taxation Code with respect to the sale of property or the storage, use or other consumption of which is subject to the use tax.

2.08.414 Amendment of state law.

After the operative date of this article, all amendments to Part 1 of Division 2 of the California Revenue and Taxation Code relating to sales and use taxes that are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the California Revenue and Taxation Code and all amendments to Part 1.6 and Part 1.7 of Division 2 of the California Revenue and Taxation Code, shall automatically become a part of this article; provided, however, that no such amendment shall operate so as to affect the rate of tax imposed by this article.

2.08.415 Enjoining of collection forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the state or the county, or against any officer of the state or the county, to prevent or enjoin the collection under this article or Part 1.6 of Division 2 of the California Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

2.08.416 Severability.

If any provision of this article or the application thereof to any person or circumstance is held invalid, the remainder of the article and the application of such provision to other persons or circumstances shall not be affected thereby.

2.08.417 Savings clause.

This article shall not be interpreted in any manner that conflicts with the laws or constitutions of the United States or the State of California.

2.08.418 Termination of transactions and use tax.

This article shall remain in effect only until March 31, 2031 and as of that date it shall be repealed by operation of this section unless a later ordinance is adopted and approved by a majority vote of the eligible voters of this County prior to March 31, 2031 that shall have the effect of deleting or extending the termination date set forth herein.

2.08.419 Effective date.

Except as otherwise provided in this Ordinance, this Ordinance shall take effect the day after the election at which it is approved by a majority vote of the eligible voters of Alameda County.

2.08.420 Conflict with other local transactions and use tax.

In the event that both this tax measure and another local transactions and use tax measure receive the sufficient numbers of votes to be approved at the same election, and passage of both measures would cause the combined tax rate limit allowed under Part 1.6 and Part 1.7 of Division 2 of the California Revenue and Taxation Code to be exceeded, the measure receiving the overall greater number of affirmative

votes shall prevail.
