⌵ **PRESIDENTIAL ACTIONS**

**ADDITIONAL MEASURES TO ADDRESS THE
CRIME EMERGENCY IN THE DISTRICT OF COLUMBIA**

Executive Orders

August 25, 2025

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered:

Section 1. Crime Emergency. Two weeks ago, I declared a crime emergency in the District of Columbia to address the rampant violence and disorder that have undermined the proper and safe functioning of the Federal Government, and therefore, the Nation, and that have led to disgraceful conditions in our Nation's capital. In furtherance of Executive Order 14333 of August 11, 2025 (Declaring a Crime Emergency in the District of Columbia), I am now ordering further actions to address the conditions described in that Executive Order.

Sec. 2. Operational Actions. (a) The Director of the National Park Service shall, subject to the availability of appropriations and applicable law, hire additional members of the United States Park Police in the District of Columbia to support the policy goals described in Executive Order 14333. The United States Park Police shall ensure enforcement of all applicable laws within their jurisdiction, including the Code of the District of Columbia, to help maintain public safety and proper order.

(b) The United States Attorney for the District of Columbia shall, subject to the availability of appropriations and applicable law, hire additional prosecutors to focus on

prosecuting violent and property crimes.

(c) The D.C. Safe and Beautiful Task Force established in Executive Order 14252 of March 27, 2025 (Making the District of Columbia Safe and Beautiful), shall establish an online portal for Americans with law enforcement or other relevant backgrounds and experience to apply to join Federal law enforcement entities to support the policy goals described in Executive Order 14333. Each law enforcement agency that is a member of the D.C. Safe and Beautiful Task Force, as well as other relevant components of the Department of Justice as the Attorney General determines, shall further, subject to the availability of appropriations and applicable law, immediately create and begin training, manning, hiring, and equipping a specialized unit that is dedicated to ensuring public safety and order in the Nation's capital that can be deployed whenever the circumstances necessitate, and that could be deployed, subject to applicable law, in other cities where public safety and order has been lost.

(d)(i) The Secretary of Defense shall, subject to the availability of appropriations and applicable law, immediately create and begin training, manning, hiring, and equipping a specialized unit within the District of Columbia National Guard, subject to activation under Title 32 of the United States Code, that is dedicated to ensuring public safety and order in the Nation's capital. As appropriate and consistent with applicable law, the Attorney General, the Secretary of the Interior, and the Secretary of Homeland Security, in coordination with the Secretary of Defense, shall each deputize the members of this unit to enforce Federal law.

(ii) The Secretary of Defense shall immediately begin ensuring that each State's Army National Guard and Air National Guard are resourced, trained, organized, and available to assist Federal, State, and local law enforcement in quelling civil disturbances and ensuring the public safety and order whenever the circumstances necessitate, as appropriate under law. In coordination with the respective adjutants general, the Secretary of Defense shall designate an appropriate number of each State's trained National Guard members to be reasonably available for rapid mobilization for such purposes. In addition, the Secretary of Defense shall ensure the availability of a standing National Guard quick reaction force that shall be resourced, trained, and available for rapid nationwide deployment.

(e) The Secretary of Housing and Urban Development (HUD) shall investigate any non-compliance with the crime-prevention and safety requirements of HUD agreements by the District of Columbia Housing Authority or any landlord in the District of Columbia.

These investigations shall include consideration of the provisions of such agreements that require housing providers to maintain safe, decent, and sanitary conditions or to restrict tenants who engage in criminal activity that threatens health, safety, and the right to peaceful enjoyment for other tenants, including engaging in drug distribution, violent criminal activity, and domestic violence. The Secretary of HUD shall refer any findings of non-compliance to the Attorney General, Federal law enforcement authorities, the District of Columbia Housing Authority Police Department, and the Metropolitan Police Department, as appropriate.

(f) The Secretary of Transportation shall conduct additional inspections, audits, and examinations to determine whether conditions exist in federally-funded transit services in the District of Columbia that endanger transit workers, and take appropriate remedial action that is within the Department of Transportation's authority.

Sec. 3. Potential Amendments to Metropolitan Police Department General Orders. (a) The Attorney General shall review the Metropolitan Police Department General Orders and shall request that the Mayor of the District of Columbia make such updates and modifications to such orders as the Attorney General determines are necessary to address the crime emergency and ensure public order and safety.

Sec. 4. Severability. If any provision of this order, or the application of any provision to any individual or circumstance, is held to be invalid, the remainder of this order and the application of its other provisions to any other individuals or circumstances shall not be affected thereby.

Sec. 5. General Provisions. (a) Nothing in this order shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department or agency, or the head thereof; or
 - (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.
- (b) This order shall be implemented consistent with applicable law and subject to the availability of appropriations.
- (c) This order is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees or agents, or any other person.
- (d) The costs for publication of this order shall be borne by the Department of Justice.

20 TRANSCRIPT OF PROCEEDINGS

21 BEFORE THE HONORABLE KARIN J. IMMERGUT

22 UNITED STATES DISTRICT COURT JUDGE
23
24
25

1 MS. LIN: Yes. Here, Your Honor.

2 THE COURT: Okay. So it is -- since our -- the
3 TRO I issued yesterday, it's my understanding that two
4 things have happened. One, that the President has sought to
5 and actually brought National Guard to Oregon from
6 California, and also now I just received another declaration
7 from Mr. Marshall that attaches a memorandum from
8 Secretary Hegseth to the Adjutant General of the Texas
9 National Guard to the Governor of Texas. That also states
10 that the President has determined that violent incidents, as
11 well as a credible threat of continued violence, are
12 impeding the execution of the laws of the United States in
13 Illinois, Oregon, and other locations throughout the
14 United States.

15 So that's some new information, certainly.

16 I do have some questions for the lawyers, but I do want
17 to give Mr. Hamilton a chance to respond to plaintiffs'
18 emergency motion, TRO.

19 Anything you would like to say?

20 MR. HAMILTON: Yes. Thank you, Your Honor.

21 I'll start by addressing the relocation of California
22 guardsmen. My understanding is that 200 members of the
23 California National Guard have been or are presently being
24 relocated to Portland and that 100 guardsmen, who were
25 federalized in California, are staying in Los Angeles.

1 The relocation of the guardsmen is consistent with the
2 Presidential memorandum that the President signed on
3 June 7th federalizing members of the California National
4 Guard.

5 Nothing in the June 7th --

6 THE COURT: Mr. Hamilton, let me ask you how could
7 bringing in federalized National Guard in California not be
8 in direct contravention of the TRO I issued yesterday?

9 MR. HAMILTON: The TRO issued yesterday,
10 paragraph 1 of it, enjoined implementation of
11 Secretary Hegseth's order to the Oregon National Guard, and
12 this is --

13 THE COURT: Mr. Hamilton, you're an officer of the
14 court. Aren't defendants simply circumventing my order,
15 which relies on the conditions in Portland? And nothing has
16 changed. There's nothing in my order that has changed.

17 MR. HAMILTON: No, Your Honor.

18 THE COURT: So why -- why is this appropriate?

19 MR. HAMILTON: Well, the reason is that the
20 California National Guard were federalized under a different
21 Presidential memorandum. The June 7th Presidential
22 memorandum. That is not limited in any way to the state of
23 California.

24 And, in fact, that Presidential memorandum authorized
25 Secretary Hegseth to carry out the mission and deploy

1 military personnel, may perform the military protective
2 activities that the Secretary of Defense determines are
3 reasonably necessary to ensure the protection and safety of
4 federal personnel and property.

5 I would add that §12406 even acknowledges that -- it
6 says that any state may be -- may be called upon to respond
7 to wherever the -- you know, the situation is that -- that
8 guardsmen are being deployed. It doesn't limit itself to
9 the Guard in the state where -- where a problem is.

10 I'd also add that --

11 THE COURT: Mr. Hamilton -- Mr. Hamilton, you are
12 missing the point. Because here it's the conditions on the
13 ground in Oregon that were the basis for my finding on a
14 TRO -- standard for a TRO that there was not a legal basis
15 to bring federalized National Guard into Oregon.

16 Bringing them from -- is there any legal authority for
17 federalizing National Guard for one purpose -- that is, to
18 help California -- and then divert them to another purpose
19 in a different state where the state -- where there is no
20 showing that that is military help that is necessary to
21 assist law enforcement or to protect law enforcement or the
22 one federal building here for ICE?

23 MR. HAMILTON: Well --

24 THE COURT: Is there any legal authority for what
25 you're doing?

OCT 16 2025

MEMORANDUM FOR SECRETARY OF THE ARMY
COMMANDER, U.S. NORTHERN COMMAND

SUBJECT: Execution of Federal Protection Mission in Oregon

In response to a request for assistance from the Department of Homeland Security and at the direction of the President, I direct the Secretary of the Army to extend the orders of all remaining California (CA) National Guard (NG) personnel called into Federal service under 10 U.S.C. § 12406, from November 4, 2025 to February 2, 2026 and I directed that Commander, U.S. Northern Command (USNORTHCOM), redeploy 200 CA NG personnel to Oregon. Additionally, I directed 200 Texas NG personnel be called into Federal service under 10 U.S.C. § 12406, from October 5, 2025 to December 4, 2025. If you deem it appropriate, you may separately employ headquarters, support, and other enabling staff from other assigned or allocated forces for these NG personnel in Oregon. Given that this mission is now the subject of ongoing litigation, it is highly advisable that all future actions be closely coordinated with the Office of the General Counsel of the Department of War through the USNORTHCOM Staff Judge Advocate. Otherwise, these actions are to be effective immediately.

As described in the bullets below, these individuals will temporarily protect Immigration and Customs Enforcement and other U.S. Government personnel who are performing Federal functions, including personnel enforcing Federal law, and will protect Federal property, at locations where protests against these functions are occurring or are likely to occur based on current threat assessments and planned operations. To execute the President's direction, the Service members in question are directed to:

- Deploy to Federal Government properties, including Federal buildings and monuments. When deployed to Federal Government properties, Service members may take reasonable measures to prevent the destruction or defacement of Federal Government property, including preventing civilians from attacking Federal facilities, stopping ongoing interference with Federal functions by civilians, or preventing civilians with a demonstrated intent to interfere with Federal functions from such interference. When engaging with civilians for these purposes, Service members may temporarily restrain them, conduct a cursory search, and take other similar measures to ensure the safety of persons on the property.
- Protect Federal personnel from harm or threat of death or bodily injury. In so doing, Service members may temporarily restrain civilians, conduct a cursory search, and take other similar measures to ensure the safety of Federal personnel.

In performing these duties, Service members are to follow the Standing Rules for the Use of Force. Any temporary detention undertaken by Service members (e.g., to stop an assault of, to prevent harm to, or to prevent interference with Federal personnel) will end as soon as

OSD010658-25/CMD014341-25

detained persons can be turned over safely to the custody of appropriate civilian law enforcement personnel. Refer any cases of crimes against a Service member to the appropriate U.S. Attorney for prosecution (e.g., under 18 U.S.C. § 1839).

I appreciate the hard work of our Service members to the protection of our Nation and of the rule of law.

MEMORANDUM FOR EXECUTIVE SECRETARY, DEPARTMENT OF HOMELAND
SECURITY

SUBJECT: Request for Assistance for Security Support to U.S. Immigration and Customs
Enforcement

This memorandum responds to your request for assistance (RFA) of September 26, 2025 regarding security support to U.S. Immigration and Customs Enforcement in Oregon, in response to protests and threats of violence. I appreciate your collaboration and coordination in addressing this challenging situation.

In response to your RFA and in accordance with Presidential direction, the Secretary of War has directed the extension of orders for all California (CA) National Guard (NG) units called into Federal service under 10 U.S.C. § 12406, from November 4, 2025 to February 2, 2026. The Secretary also has called 200 Texas (TX) NG into Federal service under 10 U.S.C. § 12406 with orders through December 4, 2025. These 200 CA NG and 200 TX NG personnel, along with additional headquarters and support staff, will deploy to Oregon effective immediately to protect Federal functions, personnel, and property, consistent with Secretary of War guidance to Commander, U.S. Northern Command, on a reimbursable basis. This footprint, 400 personnel, is the minimum required to protect Federal functions, personnel, and property in Oregon under current circumstances.

We will continue to monitor the situation closely and coordinate with you and your staff to ensure the safety and security of all involved. I appreciate your reimbursing the Department of War for these efforts. Thank you for your continued partnership.
