REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Board of Directors KQED Inc.

Opinion

We have audited the accompanying consolidated financial statements of KQED Inc. (the "Corporation"), which comprise the consolidated statement of financial position as of September 30, 2023, and the related consolidated statements of activities and changes in net assets, cash flows and functional expenses for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of KQED Inc. as of September 30, 2023 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of matter

As discussed in Note A to the consolidated financial statements, the Corporation adopted FASB Accounting Standard Codification Topic 842, Leases. Our opinion is not modified with respect to this matter.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for one year after the date the consolidated financial statements are issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Report on 2022 summarized comparative information

We have previously audited the Corporation's 2022 financial statements (not presented herein), and we expressed an unmodified audit opinion on those audited financial statements in our report dated January 10, 2023. In our opinion, the accompanying summarized comparative information as of and for the year ended September 30, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Sant Thornton LLP

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

KQED Inc. ("KQED") is a nonprofit corporation which operates three noncommercial public television stations ("KQED-TV," "KQEH," "KQET") in San Francisco, San Jose and Monterey, and two noncommercial public radio stations ("KQED-FM") in San Francisco and ("KQEI-FM") in North Highlands. KQED also distributes its content and services via KQED.org, KQEDNews.org, and KQED Education as well as other digital and mobile media technology.

KQED serves the people of Northern California with a community-supported alternative to commercial media. KQED's television, radio, digital media and educational services seek to change lives for the better and help individuals and communities achieve their full potential. KQED provides citizens with the information they need to make informed decisions, convenes community dialogue, brings the arts to everyone, and engages audiences to share their stories. KQED's content and services help students and teachers thrive in 21st century classrooms, and take people of all ages on journeys of exploration, exposing them to new people, places and ideas. KQED celebrates diversity, embraces innovation, values lifelong learning, and partners with those who share a commitment to public service.

Snap Studios, LLC, ("Snap") is a separate organization, disregarded for tax purposes, and wholly owned subsidiary of KQED. Snap is a radio show, podcast, and live show producer and creator. Snap produces real stories combined with beats to create cinematic and dramatic radio.

In July 2023, KQED and Snap acquired certain assets and liabilities from a third party, Snap Judgment, LLC. The acquisition brings new audiences, followers, and monthly downloads from podcasts. The acquisition allows for creation of new podcasts and additional fundraising.

Principles of Consolidation

The consolidated financial statements include the accounts of KQED and Snap because KQED has both control and an economic interest in Snap. All significant intercompany accounts and transactions have been eliminated in consolidation. Unless otherwise noted, these consolidated entities are hereinafter referred to as "the Corporation".

Basis of Presentation

The Corporation's consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires the Corporation to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without Donor Restrictions

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Corporation. These net assets may be used at the discretion of the Corporation's management and the Board of Directors ("Board").

Net Assets with Donor Restrictions

Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Corporation or by the passage of

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the consolidated statement of activities and changes in net assets.

Comparative Financial Information

The consolidated financial statements include certain summarized comparative information as of and for the year ended September 30, 2022 presented in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information should be read in conjunction with the Corporation's financial statements for the year ended September 30, 2022, from which the summarized financial information was derived.

Cash, Cash Equivalents and Restricted Cash

The Corporation's cash consists of cash on deposit with banks. The Corporation considers all highly liquid debt instruments with original maturities of three months or less to be cash equivalents. Restricted cash and cash equivalents include funds restricted by various funders and donors for specific projects, capital purchases and operating periods, as well as deferred obligations for underwriting.

Receivables

The Corporation's accounts and contributions receivable consist primarily of amounts due from general members, planned giving, individual donors and advertising trades. Grants and underwriting receivables consist of amounts due from foundations and corporate sponsors. Receivables due in more than one year are recorded at the present value of the estimated future cash flows. The discounts are computed using risk-adjusted rates applicable in the years in which the commitments are received.

The Corporation uses the allowance method to account for uncollectible receivables. The allowance for doubtful accounts is based on historical experience, present market conditions and an evaluation of the outstanding receivables at the end of the year.

The Corporation uses a fulfillment rate to record membership receivables. The fulfillment rate is based on historical experience and is evaluated periodically based on current market conditions.

Investments

The Corporation's investments consist of bonds, mutual funds, certificates of deposit, U.S. Treasury bills and notes, and cash and money market funds.

Investments are carried at estimated fair value based on quoted market prices. Investments received through gifts and endowments are recorded at estimated fair market value at the date of donation. Unrealized gains and losses resulting from changes in fair value are recognized in the period in which such fluctuations occur. Income is recorded within net asset categories in accordance with donor stipulations.

Charitable Gift Annuities and Trusts

Charitable gift annuities and trusts are established by gifts that require payments to be made to the donor or the donor's designee(s) from assets of the trust and which name the Corporation as the beneficiary of the assets remaining at the termination of the trust. Charitable gift annuities and trusts are recorded as

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

contribution income at the fair value of the assets in the trust less an annuity reserve. For the years ended September 30, 2023 and 2022, contribution income for charitable gift annuities and trusts were \$0.4 million and \$1.4 million, respectively. The present value of the estimated payouts under the agreement is computed using actuarial methods and the 2000CM mortality table, with a discount rate of 0.4% to 8.2%, representing the risk-adjusted rate applicable in the year the gift was made, and expected return based on current market conditions. The income is restricted during the life of the donor unless the donor has restricted the use of the remainder interest to be held in perpetuity. An annual adjustment is made for the actuarial gain or loss on annuity obligations representing differences between assumed and actual experience as to earnings, payouts, and life expectancies used in the computation of the liability for distribution.

As of September 30, 2023 and 2022, future annuity payments due to beneficiaries of charitable gift annuities and trusts totaled \$5.7 million and \$5.4 million, respectively, on the accompanying consolidated statement of financial position.

Charitable trust assets also include the fair value of the Corporation's remainder interest receivable in certain trusts where the Corporation is not the trustee. The fair value of these trusts is measured based upon the estimated net present value of amounts to be received using investment values reported from the trustees, less liabilities to beneficiaries calculated using the valuation technique as described above.

California Insurance Code (the "Code") requires that organizations maintain a reserve fund adequate to meet the future payments under its outstanding charitable gift annuity contracts. In addition, the law requires that 50% of the reserve fund be invested in specified governmental fixed income investments. As of September 30, 2023, the Corporation had sufficient funds in its reserve fund to meet the Code requirements and those funds were invested in accordance with the Code.

Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Corporation classifies its financial assets and liabilities measured at fair value on a recurring basis (annually) based on a fair value hierarchy with three levels of inputs. Level 1 values are based on unadjusted quoted prices in active markets for identical securities. Level 2 values are based on significant observable market inputs, such as quoted prices for similar securities and quoted prices in inactive markets. Level 3 values are based on significant unobservable inputs that reflect the Corporation's determination of assumptions that market participants might reasonably use in valuing the securities. The valuation levels are not necessarily an indication of the risk or liquidity associated with the assets and liabilities measured at fair value.

Property and Equipment

Property and equipment are stated at cost. Donated assets are recorded at the estimated fair value at the date of donation. Depreciation and amortization are computed using the straight-line method based upon estimated useful lives of the assets ranging from 3 to 55 years. The carrying amount of long-lived assets is evaluated periodically to determine if adjustments to the useful life of the undepreciated balance are warranted.

The Corporation has completed a major renovation of its headquarters at 2601 Mariposa Street, San Francisco, California. The redesigned building is essential to meet the changing needs of the community now, and for generations to come. The renovated building showcases the Corporation's inclusive, community-minded and ambitious vision for the future of public media.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

Leases

The Corporation determines if an arrangement is or contains a lease at inception. Leases are included in operating lease right-of-use (ROU) assets and operating lease liabilities in the consolidated statement of financial position. ROU assets and lease liabilities reflect the present value of the future minimum lease payments over the lease term, and ROU assets also included prepaid or accrued rent. Operating lease expense is recognized on a straight-line basis over the lease term. KQED does not report ROU assets and lease liabilities for its short-term leases (leases with a term of 12 months or less). Instead, these lease payments of those leases are reported as lease expense as cash is paid over the lease term.

Goodwill

Goodwill is initially recorded when the purchase price paid for a business acquisition exceeds the estimated fair value of the net identified tangible and intangible assets acquired.

The Corporation evaluates goodwill on an annual basis or more frequently if management believes indicators of impairment exist. Such indicators can include, but are not limited to (1) a significant adverse change in legal factors or in business climate, (2) unanticipated competition, or (3) an adverse action or assessment by a regulator. The Corporation first assesses qualitative factors to determine whether it is more likely than not that the fair value of a reporting unit is less than its carrying amount, including goodwill. If management concludes that it is more likely than not that the fair value of a quantitative goodwill impairment test. The impairment test involves comparing the fair value of the applicable reporting unit with its carrying value. The Corporation estimates the fair values of its reporting units using a combination of the income, or discounted cash flows, approach and the market approach, which utilizes comparable companies' data. If the carrying amount of a reporting unit's fair value, an impairment loss is recognized in an amount equal to that excess, limited to the total amount of goodwill allocated to that reporting unit. All of the Corporation's goodwill was recognized as part of the acquisition of certain assets and liabilities from Snap Judgment, LLC in July 2023.

Broadcast Rights

The Corporation purchases and capitalizes broadcast rights for certain programs from the Public Broadcasting Service ("PBS") and other sources. These costs are expensed over the period of expected telecasts or the term of the agreement, whichever is shorter.

Revenue Recognition

Contributions and grants are recognized as revenue at fair value when they are received or unconditionally pledged. Individual membership contributions are recognized as net assets without donor restrictions when committed as they relate to current year's operations. Premium costs offered to members as thank-you gifts or appreciation are recorded as fundraising expenses in the consolidated statement of activities and changes in net assets and approximated \$0.3 million and \$1.3 million for the years ended September 30, 2023 and 2022, respectively, which includes the value of deminimus premium items.

Corporate underwriting support is recognized as net assets without donor restrictions when each performance obligation is fulfilled. Performance obligations typically consist of on-air or digital acknowledgements and revenue is recognized at a point in time when the related acknowledgement is broadcasted by the Corporation. Funds received in advance are reported in deferred production and underwriting revenues in the consolidated statement of financial position. Deferred production and

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

underwriting revenue was approximately \$0.3 million and \$0.5 million as of September 30, 2023 and 2022, respectively.

Government grants are recognized as allowable costs are incurred.

The Corporation reports gifts of cash and other assets as net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as net assets released from restrictions.

Contributions restricted for the purchase of long-lived assets are reported as increases in net assets with donor restrictions when received or unconditionally pledged. The Corporation's policy is to release the capital contributions into net assets without donor restrictions once the acquired long-lived assets are placed into service.

Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Contributed Nonmonetary Assets

Contributions of services are recognized when received if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services are valued at the estimated fair value based on current rates for similar services.

The Corporation's policy is to sell all contributed vehicles immediately upon receipt at auction or for salvage. No vehicles received during the period were restricted for use. Sold vehicles are valued according to the actual cash proceeds on their disposition. Vehicles donated but not sold by fiscal year end are valued based upon an average selling price of the cars sold during the year.

In-kind contributions primarily consist of donated goods and space. The fair market value of donated goods is generally the price for which the asset would sell on the open market on the day of the donation. The Corporation estimates the fair value of rentals based on comparable rental prices in a similar location.

For the years ended September 30, contributed nonfinancial assets recognized within the consolidated statement of activities and changes in net assets included:

	2023		 2022
Vehicles Space (used for fundraising and program) Tickets	\$	3,676 - 6	\$ 3,561 18 62
Contributed nonfinancial assets for the year ended September 30	\$	3,682	\$ 3,641

Nonmonetary Transactions

The Corporation has transactions involving the exchange of sponsorship rights for goods and services. These transactions are recorded based on the fair value of the goods and services received. For the years ended September 30, 2023 and 2022, sponsorship barter transactions resulted in the recognition of

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

approximately \$0.1 million and \$0.5 million, respectively, in revenues and approximately \$0.1 million and \$0.5 million, respectively, in expenses in the accompanying consolidated statement of activities and changes in net assets.

Campaign 21

There is a transformation in the media industry due to the digital revolution. To compete in this new age, in 2013, the Corporation embarked on a multi-year fundraising campaign to generate contributions to create a new infrastructure and reinvent the way the Corporation creates content and convenes community dialogue. As part of this transformation, the Corporation also renovated its headquarters. A portion of funds raised through Campaign 21 was used to assist in this project.

For the years ended September 30, 2023 and 2022, the Corporation received support of approximately \$0.6 million and \$3.2 million, respectively.

As of September 30, 2021, Campaign 21 fundraising efforts concluded.

Advertising Expenses

The costs of advertising are expensed as incurred. Advertising expense was approximately \$1.1 million and \$0.6 million for the years ended September 30, 2023 and 2022, respectively.

Income Taxes

The Corporation follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the consolidated financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged.

The Corporation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code ("IRC"), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the IRC. The Corporation has also been recognized by the Franchise Tax Board as an organization that is exempt from income tax pursuant to California Revenue and Tax Code Section 23701d on its income other than unrelated business income. The Corporation has processes presently in place to ensure the maintenance of its tax-exempt status, to identify and report unrelated income, to determine its filing and tax obligations in jurisdictions for which it was nexus, and to identify and evaluate other matters that may be considered tax positions. The Corporation has determined that there are no material uncertain tax positions that require recognition or disclosure in the consolidated financial statements.

Functional Expense Allocations

Certain expenses, such as depreciation, software maintenance and support, insurance, utilities and telephone, are allocated among program services and supporting services based primarily on equipment usage, space occupied, headcount and on estimates made by the Corporation's management.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

Concentrations of Credit Risk

Financial instruments which potentially subject the Corporation to credit risk include cash, cash equivalents, restricted cash, investments, and receivables. The Corporation attempts to limit its credit risk associated with cash equivalents and marketable securities by utilizing outside investment managers to place the Corporation's investments with highly rated corporate and financial institutions. The Corporation's receivables result primarily from donor pledges, membership drives, planned giving and underwriting sponsorships. These receivables are from donors, members and sponsors located primarily in the San Francisco Bay Area. The Corporation routinely assesses the financial strength of these various parties.

Two donors comprised 40% and one donor comprised 26% of the receivables balance as of September 30, 2023 and 2022, respectively.

As of September 30, 2023, the Corporation's cash, cash equivalents and investments were in excess of the federal depository and securities investor protection corporation insurance limits.

Collective Bargaining Agreements

The Corporation has two union collective bargaining agreements which cover approximately 32% of its fulltime, part-time and temporary staff. The National Association of Broadcast Employees and Technician ("NABET") union contract expires on October 19, 2025. The contract between the Screen Actors Guild -American Federation of Television and Radio Artists ("SAG-AFTRA") and KQED-FM expires in September 2026. In 2023, 34 employees voted to join SAG-AFTRA, and the Corporation and union are in ongoing negotiations regarding an additional contract to cover those employees.

Twelve employees of Snap also completed a successful union drive in 2023. KQED, on behalf of Snap, will negotiate with NABET for a collective bargaining agreement in 2024.

The Corporation also has a basic minimum agreement with SAG-AFTRA covering performers appearing on KQED-TV, which expires on December 31, 2024. Additionally, the Corporation is a signatory to the SAG-AFTRA Public Television Agreement which covers performers who appear on television programs distributed nationally. The PBS and producing stations, including the Corporation, are, by mutual agreement, continuing to operate under the terms of an agreement with SAG-AFTRA which expired on July 22, 2022 while the parties continue negotiations for renewal agreement.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year consolidated financial statements.

New Accounting Pronouncements

The Corporation adopted Accounting Standards Update (ASU) No. 2016-02, *Leases*, which requires lessees to recognize leases on the statement of financial position and disclose key information about

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

leasing arrangements. The Corporation elected not to restate the comparative period. The Corporation also elected not to reassess at adoption (i) expired or existing contracts to determine whether they are or contain a lease, (ii) the lease classification of any existing leases, or (iii) initial direct costs for existing leases. As a result of implementing ASU No. 2016-02, the Corporation recognized right-of-use assets of \$4.9 million and lease liabilities totaling \$5.3 million in its consolidated statement of financial position as of October 1, 2022. The adoption did not result in any impact on net assets at October 1, 2022 or a significant effect on amounts reported in the consolidated statement of activities for the year ended September 30, 2023.

Subsequent Events

The Corporation evaluated subsequent events from September 30, 2023 through February 12, 2024, the date these consolidated financial statements were available to be issued. The Corporation concluded that no material subsequent events have occurred since September 30, 2023 that require recognition or disclosure in such consolidated financial statements.

NOTE B - AVAILABILITY AND LIQUIDITY

The Corporation has an operating reserve that had a balance of \$22.4 million and \$21.6 million as of September 30, 2023 and 2022, respectively. The purpose of the account is to establish a reserve to be used to fund day-to-day operations of the Corporation in the event of a downturn of expected revenue or short-term cash need. The operating reserve is a target balance of 12.5% of operating revenue, which was determined based on management's judgment about the appropriate amount of funds to have set aside in addition to working capital. The operating reserve funds are held in money market funds and certificate of deposits. The operating reserve balance is included in the cash and cash equivalents and investments lines on the consolidated statement of financial position.

Spectrum Auction

As part of the Federal Communications Commission ("FCC") spectrum auction conducted during the 2017 fiscal year, the Corporation received a one-time non-recurring cash infusion of \$95.5 million. Participation

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

in the auction allowed the Corporation to repurpose under-utilized broadcast spectrum, which is much in demand by wireless service providers. This action did not have a material impact upon services or coverage for Bay Area residents, as most households receive their television via cable or satellite services and not over airwaves. Digital (as opposed to analog) broadcast technology also supports the ability to relinquish six megahertz of broadcast spectrum without significant impacts to service.

The Corporation's Board approved the transaction and, acknowledging the historic long-term nature of the assets that generated these proceeds, designated the funds to be invested as follows:

Spectrum endowment fund Building fund Reserve fund	\$ 67,459 20,000 8,000
	\$ 95,459

The Corporation's endowment and Board-designated contributions and net income on investments consist of the following components:

Other Financial Instruments

Financial instruments, which are included in the Corporation's consolidated statement of financial position as of September 30, 2023 and 2022 but not required to be measured at fair value, consist of cash and cash equivalents, receivables, accounts payable, and liabilities to beneficiaries of charitable gift annuities and trusts. Their carrying amounts, including the present value of future cash flows, represent a reasonable estimate of the corresponding fair values.

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

NOTE F - ACQUISITION

On July 1, 2023, the Corporation acquired certain assets and liabilities from a third party, Snap Judgment, LLC, an audio production house based in Oakland, California, dedicated to compelling narratives, creative sound design, killer beats and authentic voices. The Corporation did not acquire an equity interest in Snap Judgment, LLC.

The Corporation acquired the popular award-winning public radio program and podcast series Snap Judgment and podcast series Spooked. As part of the agreement, the productions of Snap Judgment, LLC become part of Snap. Snap's creative team will produce Snap Judgment and Spooked independently and both shows will continue to be distributed to public radio and across major podcast platforms. Snap will continue to develop other existing and new intellectual property.

The aggregate consideration transferred was \$1.9 million, of which \$1.3 million was paid in cash and \$0.6 million was comprised of contingent deferred payments. The contingent deferred payments is conditional upon employment and production of a minimum amount of episodes each year. The Corporation's Board approved funding of the acquisition through receipts from wills, trusts or other planned giving instruments, not subject to other endowment or purpose restrictions.

The acquisition was accounted for as a business combination and the total purchase consideration was allocated to the net tangible and intangible assets and liabilities acquired based on their fair values on the acquisition date and the excess was recorded as goodwill. The values assigned to the assets acquired and liabilities assumed are based on preliminary estimates of fair value available as of the issuance date of these consolidated financial statements and may be adjusted during the measurement period of up to 12 months from the date of acquisition as further information becomes available. Any changes in the fair values of the assets acquired and liabilities assume during the measurement period may result in adjustments to goodwill.

The following table presents the preliminary purchase consideration allocation recorded in the Corporation's consolidated statement of financial position as of the acquisition date:

	A	mount
Accounts receivable Prepaid expenses and other current assets Intangible assets Goodwill Deferred liabilities	\$	60 591 500 1,097 (904)
Total acquisition consideration	\$	1,344

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

The following table sets forth the components of identifiable intangible assets acquired and their estimated useful lives as of the date of acquisition:

	nounts ousands)	Weighted Average Useful Life (in years)		
Podcast intellectual property Contractual agreement	\$ 200 300	7.5 10		
Total Intangible assets	\$ 500	9		

Goodwill represents the future economic benefits arising from other assets that could not be individually identified and separately recognized.

The results of Snap operations from the date of acquisition have been included in the Corporation's consolidated financial statements. Pro forma revenue and results of operations have not been presented because the historical results are not material to the Corporation's consolidated financial statements in any period presented.

NOTE G - INTANGIBLE ASSETS

In May 2003, the Corporation acquired the assets of KQEI-FM Radio in North Highlands, California for \$3.2 million which included \$0.07 million of radio station equipment. The acquisition was accounted for under the purchase method. The purchase price was allocated \$3.0 million to the broadcast license and \$0.2 million to acquisition costs. The broadcast license and acquisition costs are reflected as intangible assets on the accompanying consolidated statement of financial position and are being amortized over the estimated useful life of 40 years. The accumulated amortization at September 30, 2023 and 2022 was \$1.6 million and \$1.5 million, respectively. The radio station equipment is included in property and equipment on the accompanying consolidated statement of financial position.

In October 2006, the Corporation acquired the assets of KTEH Foundation in San Jose which included a license fee for \$0.3 million, which is being amortized over the estimated useful life of 40 years. The accumulated amortization at both September 30, 2023 and 2022 was \$0.2 million.

In July 2023, the Corporation acquired assets from a third party, which included intellectual property and a contractual agreement. As of September 30, 2023, the acquired intangible assets, net consisted of the following:

	Gross Carrying Amount		Accumulated Amortization		Net Carrying Amount	
Podcast intellectual property Contractual agreement	\$	200 300	\$	7 7		193 293
Total Intangible assets	\$	500	\$	14	\$	486

(in thousands unless otherwise indicated)

NOTE J - NET ASSETS

Net assets without donor restrictions for the years ended September 30 are as follows:

	2023			2022
Undesignated	\$	123,791	\$	131,754
Board-designated Board-designated endowment Spectrum endowment Reserve fund Building fund		62,836 48,946 22,352 843		38,144 46,501 21,625 1,663
Total Board-designated		134,977	. <u> </u>	107,933
Total net assets without donor restrictions	\$	258,768	\$	239,687

Net assets with donor restrictions were available with the following restrictions as of September 30:

	 2023	 2022
Campaign 21 (restricted for purpose and time)	\$ 6,771	\$ 8,566
Planned gifts (restricted for time)	5,870	5,255
Endowment planned gifts (restricted for time and purpose)	384	363
Endowment receivables (restricted for time)	324	93
Underwrite specific productions or areas of programming		
(restricted for purpose and time)	2,538	3,673
Investment in perpetuity (including amounts above original gift		
amount of \$20,083 as of September 30, 2023 and 2022),		
which, once appropriated, is expendable to support:		
Arts	2,807	2,645
Education	112	106
Science	989	932
General production of content	2,241	2,112
General operations	 24,370	 22,969
Total net assets with donor restrictions	\$ 46,406	\$ 46,714

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of other events specified by donors during the years ended September 30:

	 2023	 2022
Campaign 21 program and building Underwrite specific productions or areas of programming Endowment earnings appropriated Planned gifts	\$ 2,405 4,940 1,675 346	\$ 8,187 5,127 1,587 273
Total	\$ 9,366	\$ 15,174

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

NOTE K - ENDOWMENTS

The Corporation's endowments consist of donor-restricted endowment funds and funds designated by the Board to function as endowments. Donor-restricted endowment funds are restricted to investment in perpetuity, the income from which is expendable in accordance with donor stipulations, to support programmatic or general activities of the Corporation. Net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of the Corporation has interpreted the State Prudent Management of Institutional Funds Act ("SPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donorrestricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Corporation classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Amounts are appropriated for expenditure by the Corporation in a manner consistent with the standard of prudence prescribed by SPMIFA.

In accordance with SPMIFA, the Corporation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) The duration and preservation of the fund, (2) The purposes of the organization and the donor-restricted endowment fund, (3) General economic conditions, (4) The possible effect of inflation and deflation, (5) The expected total return from income and the appreciation of investments, (6) Other resources of the organization, and (7) The investment policies of the organization.

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or SPMIFA requires the Corporation to retain as a fund of perpetual duration. No such deficiencies existed as of September 30, 2023 and 2022.

Return Objectives and Risk Parameters

The Corporation's primary long-term management objective is to preserve the inflation-adjusted purchasing power of endowment funds, while providing an available, stable, and constant stream of earnings to help meet the Corporation's spending needs.

Strategies Employed for Achieving Objectives

The Corporation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives with prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The spending rule amount is defined as the annual amount appropriated by the Board for inclusion in the subsequent year's budget. The withdrawals may not exceed 5% of the endowment's market value averaged over the prior 12 quarters calculated as of June 30 each year. If this amount would cause the Corporation permanent endowment's value to fall below its original gift value level, then the annual spending rule amount to be included in the subsequent fiscal year's budget is limited to the amount in excess of the original gift value.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

If the annual spending rule amount becomes limited as so described, this may be considered a "financial emergency" for purposes of making supplemental payouts from the Board-Designated endowment. If such a financial emergency is determined by the Board, the Corporation may spend additional amounts from the Board-Designated endowment up to the entire principal balance in the Board-Designated endowment.

Endowment funds as of September 30, are as follows:

	2023					
	Without Donor With Donor		With Donor			
	Re	strictions	Re	strictions		Total
Donor-restricted endowment funds Board-designated endowment	\$	62,836	\$	30,519 -	\$	30,519 62,836
Spectrum auction endowment		48,946		-	·	48,946
Total endowment funds	\$	111,782	\$	30,519	\$	142,301
	2022					
	Wi	thout Donor	Ν	/ith Donor		
	R	estrictions	R	estrictions		Total
Donor-restricted endowment funds Board-designated endowment Spectrum auction endowment	\$	- 38,144 46,501	\$	28,764 - -	\$	28,764 38,144 46,501
Total endowment funds	\$	84,645	\$	28,764	\$	113,409

The spectrum auction endowment fund was established with the intent that the spectrum auction proceeds be maintained to benefit the community and the Corporation over the long term.

The donor-restricted endowment's funds exclude charitable gift annuities and trusts and receivables of \$0.7 million and \$0.5 million as of September 30, 2023 and 2022, respectively.

Total Campaign 21 program services expense	\$ 1,893	\$ 2,907

NOTE M - COMMITMENTS AND CONTINGENCIES

Leases

The Corporation evaluated current contracts to determine which met the criteria of a lease. The ROU assets represents the Corporation's right to use underlying assets for the lease term, and the lease liabilities represent the Corporation's obligation to make lease payments arising from these leases. The ROU assets and lease liabilities, all of which arise from operating leases, were calculated based on the present value of future lease payments over the lease terms. The Corporation has made an accounting policy election to use a risk-free rate in lieu of its incremental borrowing rate to discount future lease payments. The weighted average discount rate applied to calculate lease liabilities as of September 30, 2023 was 2.13%.

The Corporation's operating leases consist primarily of real estate leases in connection with its operation of noncommercial public television and radio stations.

For the year ended September 30, 2023, total operating lease expense was \$1.8 million, and total shortterm lease expense was approximately \$0.1 million. As of September 30, 2023, the weighted-average remaining lease term for the Corporation's operating leases was approximately 6 years. Cash paid for operating leases for the year ended September 30, 2023 was \$1.8 million.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

Future maturities of lease liabilities are presented in the following table, for the fiscal years ending September 30:

September 30,

2024 2025 2026 2027 2028 Thereafter	\$ 1,850 950 495 100 103 855
Total lease payments	4,353
Less: present value discount	 (577)
Total lease obligations	\$ 3,776

The minimum lease payments do not include future cost-of-living escalations and pro rata property tax allocations, which are required for certain of the leases. Total rent expense, including month-to-month leases, was \$1.9 million and \$2.4 million for the years ended September 30, 2023 and 2022, respectively.

Other Commitments and Contingencies

The Corporation is involved in various claims and legal actions arising in the ordinary course of business. In the opinion of management, the ultimate disposition of these matters will not have a material adverse effect on the Corporation's financial position or its change in net assets.

NOTE N - CONDITIONAL PROMISES TO GIVE

The Corporation received grants from multiple funders, which have been determined to be conditional grants based on meeting specific program deliverables. Total cumulative grants awarded to the Corporation as of September 30, 2023 was \$2.9 million. For the years ended September 30, 2023 and 2022, the Corporation has recognized \$0.5 million and \$1.7 million, respectively. As of September 30, 2023, \$0.2 million remains conditional. The conditions are expected to be met next year.

The Corporation receives cash payments in advance from donors to be used as challenge grants. For the years ended September 30, 2023 and 2022, the amount of payments for which conditions have not been met was \$0.07 million and \$0.06 million, respectively. The conditions are expected to be met in the next fiscal year.

NOTE O - RETIREMENT PLANS

The 403(b) tax-sheltered annuity plan is funded by employee contributions and the employer's matching share amount. The employer matching share amount is 5.5%. The Contribution costs, funded currently, were \$1.9 million and \$1.2 million for the years ended September 30, 2023 and 2022, respectively.

The 457(b) plan enables participants to defer income on a pre-tax basis and is not matched with contributions from the Corporation. For the years ended September 30, 2023 and 2022, approximately

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - CONTINUED

September 30, 2023 and 2022

(in thousands unless otherwise indicated)

\$0.05 million and \$0.08 million, respectively, has been deferred based on elections made by the participants to the 457(b) plan.

The total market value of 457(b) investments and the related deferred compensation obligations to employees included in the consolidated statement of financial position at September 30, 2023 and 2022 were approximately \$2.3 million and \$2.1 million, respectively.

NOTE P - RELATED PARTY TRANSACTIONS

The Corporation has transactions, where directors make contributions or recommend contributions to the Corporation through a donor advised fund. For the years ended September 30, 2023 and 2022, those contributions were approximately \$0.7 million and \$0.4 million, respectively. As of September 30, 2023 and 2022, the balance due from related parties was approximately \$0.3 million and \$0.6 million, respectively.
