### STARTER EPISODE

#### "Eunice Chang aka @notcheetos — Fun With Dumb — Episode 161"

*Fun With Dumb* is a weekly podcast hosted by Korean American rapper Dumbfoundead — aka Jonathan Park — that showcases people from all walks of life. In this episode, Dumbfoundead and friends Steffie and Lyrics talk with Eunice Chang, a 28-year-old Korean American female skateboarder, about community, mindset and dealing with haters.

### STARTER EPISODE

#### "Fear"

Markis, Hannah, Devonte, Abigail, Jeremiah and Sierra — Black children ages 12 to 19 — were adopted by white lesbian couple Sarah and Jennifer Hart. On March 26, 2018, the family's GMC Yukon was found belly-up below California's Highway 1. *Broken Harts* investigates the blended family and what led to their murder-suicide.

## Go Back to School in Try Harder!, a New Doc About SF's Lowell High School

In a new documentary about San Francisco's Lowell High School, director and producer Debbie Lum captures how being Asian American is not only the norm at Lowell — it's celebrated. In *Try Harder!*, she pulls back the curtain on the college-application process and the intersection of class, race and opportunity by handing the mic to students, whose voices are often drowned out in headline-grabbing reports on the insanity of the college admissions process, and the stereotype of the Asian American academic identity. Lum follows seniors from the moment they apply to college to the moment they hear back, capturing a (school) year in the life of the students as the pressure intensifies to impress admissions officers at prestigious universities

with every aspect of their application, including their SAT scores, GPAs, extracurricular activities and racial identities.

The film follows an outgoing, aspiring surgeon and son of Taiwanese and Chinese immigrants, who dances between classes; a young writer who, as a biracial African American person, is in the minority; parents who take different approaches to their children's career paths and identities outside of academics; and teachers who want the best for their students. Follow this very diverse group as they navigate the external and internal pressures of growing up and figuring out their futures in *Try Harder!*, which airs on **Monday, May 2, at 9pm** on KQED 9.

— Sophie Kim, Editorial + Production Assistant

A smiling woman with short dark hair, wearing a light blue button-down shirt and grey overalls, is working in a garden. She is surrounded by green plants and bright orange chili peppers. In the background, another person wearing a pink shirt is partially visible. The scene is set outdoors with trees and hills in the distance.
