Edward R. Murrow Regional Awards

RADIO SPECIALS

What do Henry Kissinger, virus outbreaks, and artificial intelligence and healthcare have in common? This August, KQED Public Radio specials focus on all three.

The specials kick off on **August 3** with **Kissinger**. Now nearly 100 years old, the former U.S. Secretary of State (under Nixon), head of the National Security Council and more was influential for his knowledge and analysis of world affairs and for the decisions he made. Kissinger will discuss six great leaders and the lessons they taught and will reflect on his own role in history.

On **August 10**, listen in to **Witness History: Virus Outbreaks and Breakthroughs**, first-person accounts from people who have suffered from viral diseases — from the 1918 Spanish influenza to the early 2000s SARS epidemic — or have worked to find cures.

Finally, in a four-part series on **August 17, 24, 31** and **September 7**, explore **Smarter Health: Artificial Intelligence and the Future of American Healthcare** and how artificial intelligence (AI) and machine learning may revolutionize the healthcare industry. The series focuses on the technology already available or in development,

the ethical dilemmas and the guardrails and regulations in progress to advise AI advancements. You'll also meet scientists, doctors and patients working on AI tools or experiencing the technology as part of their care.

"Why Do San Francisco Psychics Need Permits from the Police?"

KQED's *Bay Curious* delves into all kinds of questions about the Bay Area from listeners. This episode focuses on San Francisco's professional fortune tellers.

STARTER EPISODE

"Gabrieleen Silver Queen"

Ear Hustle just finished its ninth season covering the unseen realities of incarceration inside and outside of prison. In this episode, Earlonne and Nigel talk with residents of Susanville, California, about the closure of the town's main prison and have the rare opportunity to interview a correctional officer.

STARTER EPISODE

"Candy's Hair Affair"

Random Tape brings out non-narrative audio ephemera from KCRW host David Weinberg's archives. Most episodes are only a few minutes long. "Candy's Hair Affair" is a cut of a tape that captures what appears to be role-playing exercises at a beauty school; Weinberg found it in a Louisiana thrift store.

Don't Miss This!

Guilt, Season 2

I'll be honest: After watching the thrilling and conclusive first season finale of *Guilt*, I had no idea how they were going to continue the story. But I'm here to say that *Guilt, Season 2*, takes this Scottish thriller to new heights that I couldn't have imagined. Lawyer Max Bonnar is now bent on taking revenge on his dangerous enemy Roy Lynch. Max forms tenuous alliances with an undercover cop and Roy Lynch's own daughter to take Roy down, but who can he really trust? *Guilt* is always unpredictable and darkly comedic — once you start watching you'll need to know how it ends. Luckily, Passport members can binge the whole season on **August 28**, the night of the *Guilt* Season 2 broadcast premiere.

Watch the Rise and Fall of the Boleyns, England's Most Scandalous Family

What drives our fascination for the Boleyns? If you're like me, you're probably already familiar with the infamous Boleyn family — particularly Anne and Mary — thanks to the 2008 film *The Other Boleyn Girl*, which is based on the 2001 book of the same name. Evidently, there isn't a shortage of Boleyn family entertainment for us 21st-century folk to indulge in. However, ***The Boleyns: A Scandalous Family*** is different from its predecessors because it's a three-part series that's narrated by historians with actors performing several significant scenes from the family's unique perspective.

Depicting the rise and fall of the Boleyn family during the reign of King Henry VIII in 1500s England, the show explores Thomas

Boleyn's determination to elevate their family name. His expectations and ambitions for his three children — starting with the beautiful and sophisticated Anne Boleyn, who dazzles the court while her family plays the long game of catching a king — take them into the heart of the Tudor court. Follow Anne's journey as she becomes queen and changes the course of British history, a dangerous game with the Boleyns unaware of the high price they'll have to pay. ***The Boleyns: A Scandalous Family*** is a story of love, sex and betrayal. The first episode airs on **Sunday, August 28, at 8pm on KQED 9.**

—Sophie Kim, Editorial + Production Assistant

DID YOU KNOW? Anne Boleyn

- There are no surviving portraits of Anne Boleyn painted during her lifetime, but there is a commemorative medal made during the three years she was married to King Henry VIII. It may have been created to honor the expected birth of her second child (she either miscarried or the baby was stillborn).
- Anne Boleyn's sister, Mary Boleyn, was one of King Henry VIII's mistresses. Their mother, too, was rumored to have had an affair with the king earlier.
- Anne Boleyn was decapitated by a single sword blow to her neck. Her brother, George, was killed two days before she was, accused of incest and of scheming to kill the king.
