HAPPINESS, SEASON 1

One of my favorite shows of all time is *Crazy Ex-Girlfriend*, which recently celebrated its 10-year anniversary. I was lamenting how there are no shows like it on TV now, until I started watching *Happiness*, which has totally scratched my musical-comedy-series itch. Starring Rebecca Gibney and Harry McNaughton from *Under the Vines* (also streaming on Passport), *Happiness* follows ex-Broadway director Charlie who's forced to return home and help his mother, Gaye, put on a musical with her amateur theater society. I was sold from the first scene when Charlie is greeted at the airport by Gaye and her friends performing an enthusiastic rendition of a Backstreet Boys song. I'm so excited to bring this series to Passport members, who can binge the whole first season on **Sunday, December 14**, the night of its broadcast premiere. —Emma Casley, TV Programming Manager

A Celebration of Hannukah

Host Geoffrey Baer takes viewers on a fun exploration through the time-honored traditions of this joyous Jewish holiday. Passport members can start enjoying on **Monday, December 1**.

American Masters: Groucho & Cavett

Discover the enduring friendship between legendary comedians Groucho Marx and Dick Cavett. Expires **Saturday, December 27** — watch before it's gone!

A FULL NEST AND FULFILLMENT

New Zealand's first musical sitcom illuminates the arguably universal experience of moving back in with your parents as a grown adult — and finding yourself living yet again in your childhood bedroom. **Happiness** shows us that resiliency and choosing to work through devastating setbacks can lead to something worth watching. Tune in for the first two episodes back-to-back on **Sunday, December 14**, starting at **8pm** on **KQED 9**.
