GRANTCHESTER ON MASTERPIECE, SEASON 11

Knowing that it's the final season, it feels slightly bittersweet to be excited for the return of *Grantchester* this June. Because the show has been a mainstay in our summer lineup for years, I've grown to love Geordie and the collection of vicars he's befriended as though they're my actual neighbors. Throughout the years, *Grantchester* has delivered wonderfully delightful mysteries and English village charm, and Season 11 is no different. Starting with a murder at a drive-in fundraiser, the show concludes with a finale that's sure to satisfy the dedicated fans, who can binge-watch the new season on Passport on **Sunday, June 14**, the night of its broadcast premiere. Passport Members can also catch up on all previous seasons ahead of time if a dose of *Grantchester* is needed sooner.

The Mountain Detective, Season 4

A former policeman searches for a new life, but ends up confronting violence in the Hautes-Alpes. In French with English subtitles. Marathon-watch the whole season with Passport beginning **Friday, June 19**.

Joseph Rosendo's Steppin' Out, Season 3

Six-time Emmy winning host Joseph Rosendo is back with a new season, taking viewers to more picturesque and diverse destinations. Available to Passport members starting **Monday, June 15**.

Disco: Soundtrack of a Revolution

Celebrate **LGBTQ+ Pride Month** by revisiting one of my favorite music history series, which details the rise, fall and legacy of disco music. **Available now** with Passport.

Independent Lens: Mama Bears

Conservative beliefs have defined these mothers' lives. Now they're championing their children. Another powerful story to watch for **LGBTQ+ Pride Month**, see it before it expires on **Saturday, June 20**.

THE END OF AN ERA

The series finale of **Grantchester on MASTERPIECE** takes place during the transformative summer of 1963. Geordie faces a promotion that could end his crime-solving partnership with Alphy, who is reconnecting with his estranged mother and questioning his faith.
