UNDER THE VINES, SEASON 2

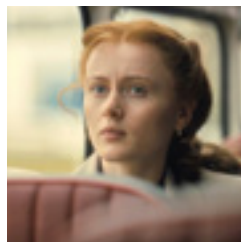

I can't help but watch *Under the Vines* with a smile on my face (and maybe a glass of wine in my hand). This charming New Zealand show follows two unlikely business partners — uptight British lawyer Louis and Australian socialite Daisy — as they operate a struggling vineyard. I love the classic will-they-won't-they dynamic between Louis and Daisy, and this season throws a lot at them: from the arrival of Louis' English wife to Daisy's introduction to a handsome local doctor. The supporting cast is always great fun as well, delivering plenty of laughs and heartwarming moments. It's just delightful to watch and Passport members get exclusive early access to the new season starting **Saturday, August 1**.

Professor T (UK), Season 5

Passport members get exclusive early access to the new season of this hit crime show. Watch it early starting **Sunday, August 9**, ahead of the broadcast premiere on Sunday, October 18.

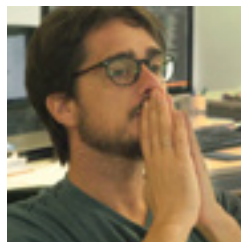

Madam President, Season 1

Vigdis Finnbogadóttir, a single mother, battles doubt, prejudice and expectation to become the first woman elected president in Iceland. In Icelandic with English subtitles. Available only with Passport starting on **Friday, August 7**.

Jamestown, Seasons 1–3

From the makers of *Downton Abbey*, three women try to create a new life in a beautiful yet forbidding land. Watch it before it's gone! The whole series expires on **Tuesday, August 11**.

The Dreamers and I

A local story of three immigrant tech entrepreneurs and a director facing ruin in Silicon Valley, this is sure to resonate with Bay Area viewers. Available with Passport on **Saturday, August 1**.
