HOPE STREET, SEASON 5

With the end-of-year holiday rush, it's nice to relax with a real comfort show like ***Hope Street.*** The Northern Irish hit drama has an **early Passport release** this month. I love the beautiful coastal town of Port Devine and the quirky, charming residents who live there. This season celebrates the show's 50th episode and welcomes a few new intriguing characters, including an ex-rugby player Police Constable and a new straight-talking doctor. Both of them definitely seem to hit it off in the season premiere, so I'm excited to see how their relationship develops. The new season won't be coming to broadcast until early next year, but Passport members get to binge-watch the new episodes early on **Tuesday, December 1.**

Happiness, Season 2

Charlie Summers (Harry McNaughton) has sworn off theater until his mum, Gaye (Rebecca Gibney), talks him into directing a new show. Binge-watch the newest season of the New Zealand musical-comedy series with Passport on **Sunday, December 13.**

Martin Clunes: Islands of America

Martin Clunes (*Doc Martin*) sets off on an epic journey to explore the islands scattered beyond America's shores. The broadcast premiere airs on KQED Plus on **Thursday, December 31,** but Passport members can watch early now.

Velvet Collection: The Grand Finale

The *Velvet* family reunites as the Galleries prepare to be sold. Celebrate the holidays with the Christmas special grand finale. In Spanish with English subtitles, available with Passport on **Friday, December 4.**

A Celebration of Hanukkah

In this heartwarming program, host Geoffrey Baer takes viewers on a fun exploration of the time-honored traditions of the joyous Jewish holiday Hanukkah. **Stream now** with Passport.
